Application

Required fields are marked with an asterisk *

What is the name of your school? *

Note: If your school is not listed, then enter the full school name and continue. You will be asked to provide further information about your school on the next page. **A minimum of two characters is required to find your school.**

You have verified the email address **giovannimaria.cristiano001@studenti.uniparthenope.it** on your GitHub account. That academic domain is associated with the school **Parthenope University of Naples**.

Select this school

Parthenope University of Naples

We chose this school based on your email. If this isn't your school, please [add and verify another school-issued email address](#) in your account settings - or select another school.

When you click "Continue" you will be prompted to share your location with us. Providing your current location helps us verify your affiliation with your chosen school.

Upload proof of your academic status

We need a little more proof to verify your academic status.

What we need to see:

Your student ID

Your ID should **include a date** that verifies your current enrollment. Make sure the image is clear and easy to read; if it looks blurry, please take a new photo and upload it again.

Or another form of proof

If you don't have a student ID, or it doesn't include a date, you can upload a letter on school letterhead or any documentation **with a date** that demonstrates your current enrollment.

Please upload proof of your academic status.

Snap a picture of your qualifying proof of current academic status using your HD webcam or smartphone camera.

Take a picture

or [upload a photo](#)

Photo must be JPEG or PNG, at least 1024x768 resolution, and between 100KB and 1MB in size

Please note, your request cannot be edited once it has been submitted, so please verify your details for accuracy before sending them to us. After clicking "Process my application", please wait as processing can take several seconds.
